**“...He humbled Himself by becoming obedient to death~
...even death on a cross.” Phil 2:8**

*“The cross is an expectant cross; It is a symbol of hope,
for God is on one side and all the people on the other side...
and Christ Jesus is between us, to bring us together.” Pastor David Jeremiah*

What a statement that is~ so simple, but profound! God, because of His great love for His creation, had to provide a perfect sacrifice to bring us as imperfect, sinful people to Him. Not one of us can be good enough or do enough good things to earn the Father’s love and forgiveness. Jesus became our sinless sacrifice. He willingly took the horrendous beatings and endured the spikes driven into His hands and feet while love held Him on that ‘old rugged cross’. He gave His life so that we could be brought together in His perfect love. It doesn’t matter who we are, or our church affiliation...or our past sins...or what the world says about us. What does matter is that we each acknowledge our need for a Savior and are willing to accept His unconditional love and forgiveness. Jesus became our ‘symbol of hope’. He provided the only way for us to come to the Father.

So, as we celebrate Easter once again, let us rejoice as we serve a Risen Savior. Yes, Jesus died on the cross, but He arose victoriously from the grave! And that, my friends, is what brings us together and gives us hope...because we indeed serve a Living God. And how do we know He lives? **BECAUSE HE LIVES WITHIN OUR HEARTS!**

**Hallelujah! What A Savior!
Praise Him as you pray! ~Georgia**
